Can Macron offer Biden the Restoration of Women's Abortion Rights?

Kwon Sung-hee

When will Jesus return? It is right now. If we look at the signs that Jesus gave about the last day of His return, we can see how concerned Jesus was about the prevalence of atheism and the persecution of the weak. (Matthew 24, Mark 13, Luke 17 and 21) The specific time of the Second Coming is set as 'a time when women suffer horribly because their right to abortion is violated'. Do you remember what Jesus said to the women of Jerusalem at the beginning of Chapter 1 of this book? Not only does the end times begin with 'birth pains', but it also mentioned that 'how dreadful it will be for pregnant women and nursing mothers.

Jesus also knew that there would be terrible persecution of sexual minorities. On that day, those who were on the housetop were not to go down to take anything out of the house, and those who were in the fields were not to get their cloaks. This is a declaration that they, who are not treated as members of the society and family because they are sexual minorities, are not at all lacking in the glory of the Second Coming of Christ 'as they are on the housetop' and 'as they are in the clothes they are currently wearing.'

Jesus was most concerned about the devastation of humanity as a result of the death sentence on God, and all of this is the result of that. (p110-111)

The book includes a scientific findings report (2021) and the letter sent to President Macron (2022).

FINALLY I'M BACK! MY FRIEND MACRON!

June 18, 2024

I, Jesus Christ, wrote this letter through My representative, Kwon Sung-hee.

1. Emmanuel Macron, My Friend, The King of Truth (Isaiah 41:8)!

I am Jesus Christ, who is now and who was before, and who has finally returned as promised (Revelation 1:4). I returned quickly (22:12), but it took 2,000 years because the time compared to humans was different (2 Peter 3:8).

You have become My friend, since I have never known anyone who loves the truth as much as you do (Isaiah 41:8)! I am very happy to be able to greet you, who was chosen as the One who opens the New Future for Humanity (Revelation 18:1, John 1:51), by opening the Gate of Kingdom of God, that has finally been built on the Earth (Matthew 4:17), through My representative, an Asian woman lawyer (John 14:16).

She, My representative, is post-John the Baptist (Mark 1:7) and post-John the Apostle (Revelation 1:1). My beloved apostle. I have given her a colt (Luke 19:35), and she will ride on it (Matthew 21:7) and enter the city of New Jerusalem (Revelation 21:10).

2. My Friend Macron, Who Has Excellent Eyes for Discerning the Truth!

Do you know that Right Now is the 'End Times' (Matthew 24:3)?

When the Lamb breaks the Sixth Seal (Revelation 6:12), the Final Judgment of God the Almighty begins (6:15, 14:7). At the time, the Sun becomes as Dark as Black Cloth, and the Moon becomes as Red as Blood (Revelation 6:12). Did you see the Total Eclipse on April 8 this year in North America? The Sky was Rolled up like a Scroll (6:14). Did you see the Spectacle of Aurora Appearing all over the Earth due to the Strongest Solar Storm in 21 years?

Did you see the Meteor that Lit up the Night Skies of Spain and Portugal in May? Have you heard the News about the 1,000 Trillion Periodical Locusts (Cicadas) that emerged from American soil in 221 years? A Star Fell from the Sky to the Earth and Opened the Bottomless Pit (9:1-2), Cicadas, the Sound of their Wings like the Thundering of Many Horses and Chariots Rushing into Battle, have been Coming out for Five Months (9:3-9).

There are More Signs of Judgment Day. I Promised that I would Give the Morning Star to Those who are Victorious and Do My Will to the End (2:28). The New Star, T Coronae Borealis or T CrB, 3,000 light-years away from earth, which Appears Once Every 80 years, will Explode Before September. The Star will Shine as Brightly as the North Star and Burn for about a Week.

Now! Do you hear? Can You now Interpret the Signs of The Times (Matthew 16:3)?

3. My Friend Macron, Shining with Great Power and Glory (Revelation 18:1)!

On the great day of God the Almighty, He wins the battle of Armageddon (16:16) and the Kingdom of God unfolds on earth (21:1). I will give you a secret plan to this war. You only need one arm, and if you get it, you win. Arm_a_get_done (16:17). Do you understand?

That arm is 'Innovative Lamarckism', which combines the Theory of Evolution presented by Lamarck of France, your country, and the Theory discovered by My representative. And it is 'The Theory of Simultaneous Evolution of Males and Females Through the Use and Disuse of Organs in the Pre-survival, Post-reproduction Order'. I wish that all mankind perpetuate the memory of the 'long sacrifice and disgrace of Lamarck, the Discoverer of Truth, who returned in My service.

The Theory encompasses all living things, from bacteria to eukaryotic unicellular organisms that evolved through the symbiosis of two bacteria, as well as multicellular organisms that evolved by acquiring multicellularity from eukaryotic unicellular organisms, and of course, including our Sapiens species.

With the Declaration of this Theory, the Battle of Armageddon was won, and 'I am Alpha and the Omega' was fulfilled (1:8). In other words, 'the Alpha' is 'The New Science, that is, Innovative Lamarckism', and 'the Omega' is 'The Final Judgement God the Almighty carries out'. The Integration of Science and Religion' is finally achieved. So, this Theory can be called 'the Wine Made From Water' (John 2:11).

You, the King of Truth, will quickly understand this meaning.

4. You, Cyrus the Great (Isaiah 45:1), My Friend Macron!

You, who will lead the New Future of the Earth, are the 'returned Cyrus the Great' (Isaiah 45:1). Long ago, Cyrus the Great, the King of the Sun, dried up the Euphrates River and conquered Babylon, liberated the Jews and even built the Temple of Jerusalem (Isaiah 44:28). In this age, you are the one who dries up the great river Euphrates and prepares the way for the Kings, Me Jesus and My Representative, from the east toward the west without hindrance (Revelation 16:12).

You were chosen long ago. My representative, unknown from the Far East, is not fit for the job. Please send this letter to the media. Let people verify the contents of the book of my representative 'Can Macron Offer Biden the Restoration of Women's Abortion Rights?' (The EC Publishing LLC, Florida, USA February 2024) Don't worry, she deserves it. Of course, this letter also should be included in the verification.

She already asked you to do this last year. Then you proved that you followed my command: "Keep watch!" (16:15, Matthew 24:42) by sending her a letter of thanks. Do you remember the fuss over 'room temperature superconductor LK99' from last year? It was an example of 'general verification by everyone including scientists or ordinary people' of a scientific discovery on a global scale, so it would not be difficult for something like that to happen again. Isn't it?

Since scientific discoveries must be subject to final verification by experts, I propose forming a verification team of the following scholars as per My representative's idea. : Denis Noble, a British evolutionary biologist, who declared on December 2, 2022, 'The era of selfish genes is over, and Lamarck is back'. I also recommend Stanislas Dehaene, a cognitive neuroscientist from your country, France. Because in biology, 'the era of genes has passed and the era of neurons has arrived', so he is truly the most qualified one. Regarding 'the scientific nature of God and religion', I recommend Alvin Plantinga, 'The Warrior of Truth' and a Christian philosopher, who confronted scientists over the 'compatibility of science and religion', and also the American religious scholar Daniel L. Pals, author of 'Eight Theories of Religion'. Regarding the scientific nature of gender and sexual minorities, I would like to suggest 'the Great Human being Joan Roughgarden', author of 'Evolution's Rainbow.

5. My Angel, My Friend Macron!

The battle of Armageddon, as you, My friend, know, is a war in which the three demonic spirits that come out of the mouths of the dragon, the beast, and the false prophet gather the kings of the world and dare to oppose God the Almighty (Revelation 16:13-16). The kings of the world - Gog and Magog - whom Satan, after being locked into the abyss for a thousand years and was released briefly, deceived and gathered together, multiplied into an army as numerous as the sand of the sea and besieged the God's people and city He loves (20:7-9).

God the Almighty dispatched the four angels He had prepared on the great river Euphrates and let them lead 200 million horsemen to engage in a confrontation (9:14-19). Look! I appoint 'You, the President of France, Joe Biden, the President of United States, Professor Denis Noble, and My Representative' to the four angels above.

When the seventh angel poured out his bowl into the air, "It is done!" was declared from the throne of the heavenly temple (16:17). The seventh angel is you. You declare to the world that you have successfully acquired the only one cutting-edge secret weapon. Then, the horses of the four angelic cavalry swung their snake-headed tails and fatally wounded the soldiers of the king of the world (9:19). The snake is the animal of wisdom that taught secrets to the woman in the beginning (Genesis 3:4,5).

The heaven is opened, and My representative, 'Faithful and True' riding a white horse, dressed in a robe dipped in blood, named as the Word of God, carries out the Judgment of God the Almighty with a sharp sword coming from her mouth (Revelation 19:11-15). After the great victory, you, the angel standing in the sun, invited all the birds to the great supper of God and let them eat the flesh of the kings and armies of kings of the world (19:17, 18, Matthew 24:28).

6. The King of War (Isaiah 45:1), My Friend Macron!

I am grateful to the four angels, including you, who fought well with Me (Revelation 17:14). It was a very big fight and the spoils were huge. It is called 'Babylon the Great' (17:5) and 'the great prostitute who rules over many waters' (17:1). It is the very theory of Darwinism, the universal knowledge of our planet. How wicked is she, Darwinism, who has taken the survival out of the life of all living things and left only reproduction (gene replication)! Doesn't all life survive first?

Babylon was originally a gateway for gods to meet humans, so why did I become angry? This is because the humans who come to meet me have also taken advantage of the abominable Darwinism and have devastated the land (17:5). Is it my true intention to persecute women who have abortions and sexual minorities? God only helps humans by wiping away each person's tears (21:4).

The greatest sins of Darwinism killed God the Almighty and became a god itself, claiming to be the measure of all things (18:5,7), and drunk with the blood of God's holy people who were witnesses for Me Jesus (17:6). In anger, my representative, the mighty angel, threw a boulder the size of a large millstone and shattered the iconic Darwin Arch on May 17, 2021 (18:21). The great city of Babylon will collapse into nothingness for just one hour in a day and will never be seen again (18:8,10,17,21).

You, the angel who had power to destroy with fire, command My representative, the angel with the sharp sickle, to gather the clusters of grapes from the earth (14:18). The grapes are thrown into the great winepress of God's wrath and are trampled upon in Judgment (14:19-20, 19:15, Isaiah 63:6). Their fresh blood splattered My clothes (Revelation 14:20, 19:13, Isaiah 63:3). I will celebrate the bloody victory as if I were drunk with wine (Zechariah 9:15, Revelation 14:10).

I once declared that I will not drink wine until that day when I drink it new in the kingdom of God. At last the time has come and the great victory has been won. My four warriors! Celebrate victory with me with Wine Made From Water (Mark 14:25, Matthew 26:29, Luke 22:18)!

7. The King, My friend Macron! Prepare My Wedding Feast (Matthew 22:2)!

The Judgment has been fulfilled, and now the time has come for My wedding feast (Revelation 19:7). The King My friend Macron! Now please prepare My wedding feast (Matthew 18:2). Invite as many people as possible to this wedding feast (Revelation 19:9). Those who do not accept this invitation are not awake and will be judged (Matthew 22:8). Those who are invited but are not wearing a wedding garment will also be thrown outside (22:11-13). The garment is the act of putting into practice the new truth of Me Jesus (Revelation 19:8).

The wedding feast is 'My Second Truth Revolution'. As early as December 17, 2023, I revealed it to My representative under the title 'Truth Revolution through the Direct Execution by Jesus Himself'. I killed a man and a woman sitting side by side by piercing the back of their heads and pouring out their brains, and even shot them to confirm they are dead. They were enemies who did not want Me to be their king (Luke 19:27). In other words, people have no choice but to embrace this Revolution, just like the 'French Revolution' that took place in your country. There's no way around it.

8. My Fatherly Friend!

My friend! Let's introduce My bride, New Jerusalem (Revelation 21:9), to the people! My bride is Kingdom of God finally achieved on the Earth (Revelation 21:2,3,9-27, Isaiah 62:5). It is a new heaven and a new earth, where the former things will not come to mind (Revelation 21:1, Isaiah 65:17), and the Final Judgment is to open the New Jerusalem here and now (Matthew 6:10). This is the world of the Innovative Lamarckian paradigm. What good will it be if I return on a day when the sun loses its real light (Matthew 24:14,22,34)?

The Sapiens species began when the first man, Adam, named things (Genesis 2:19). At that time, God was with the language to name (John 1:1,14), and helped people, so man and God are twins who evolved together. Since the human world is inevitably built on language, the chaos of the world is the result of a paradigm error (Genesis 11:4-9). The innovative Lamarckism of mutual coexistence is the restoration of one language at the beginning, and is truly the language of the Garden of Eden (Genesis 2:8, 15, 11:1).

At the First Coming 2,000 years ago, I saved people in two ways. It was to proclaim God's true (evolutionary biological) attributes and to offer Myself as a ransom (Mark 10:45). The former was the fundamental method, but it was premature at the time, so the latter was highlighted. This time, however, the former was finally discovered by My representative, and so I returned. I approve without delay this innovative Lamarckism. Evolution means the body resurrects and lives forever.

Since people are also biological beings, as a result of the discovery of a common theory of evolution that governs all living things, it became possible for people to be subject to the same theory. Accordingly, it can be said that science and religion were integrated through the tree of life (Genesis 2:9, 3:22,24, Revelation 22:2). Now, all genders, including women and sexual minorities, act according to their own nature and be respected. Feminism and abortion are the nature of life. Religion should not interfere with them in any way whatsoever.

Not only I but also other gods, including the goddesses (Revelation 12, Zechariah 5:11, 9:17), have returned to New Jerusalem. Isn't polytheism the academic basis for religious pluralism (Revelation 22:2)? In the future, people will not fight or go to war because of religion. Truth exists only as truth and has no negative effects whatsoever, so all religions have no superiority or inferiority and are not subject to debate or bargaining. People will be able to worship freely if they follow the worship laws of each religion.

9. My friends! Frenchmen, The People Most Susceptible to Truth!

I recommended the book 'ANNAM' written by 21-year-old Frenchman Christophe Bataille to My representative, who began writing this letter at the end of March. In the Genesis, Adam and Eve ate the fruit from the tree of knowledge of good and evil, and were afraid of their nakedness in front of God. They covered themselves with fig leaves, and were expelled from the Garden of Eden (Genesis 3:7, 10, 23). In this book, a pair of French priest and nun were so nonchalant about stripping down to their bottoms that even the armed soldiers who came to execute them were impressed and just left.

Since the essence of language is the name of things, it can be said that the concepts created by language are based on reality. Then reality precedes concept. In other words, humans are fundamentally creatures and should be respected as such, not in the social realm, but in the personal realm, at least as creatures whose nature predates the evolution of language. The development of language led to the development of concepts and ideas, which, as artificial things, became the basis for regulating human behavior as social animals.

The fact that a woman's abortion is not socially punished means that the individual woman is respected as a life with her own nature. This is why a simple story written by a 21-year-old French young man is in line with something profoundly beautiful. France is the country where Adam and Eve were exiled and the Garden of Eden lost a long time ago was restored. It truly is a country where New Jerusalem is a reality. Is there any other country where abortion is a constitutional right? The principle of same-sex marriage is the same. Is there any other country where individual liberty is as advanced as France?

'You will know the truth' and the truth will set you free (John 8:32). Look at France! God loves individuals and citizens who love and practice the truth! It is no coincidence that Lamarck was French. It's no coincidence that you and France are here as I'm returning. There were no accidental choices. It's all the result of honest adaptation.

King of truth, my ever-vigilant friend! It's a relief to have you here during such a turbulent time on the Earth. I will do my best to help you. Cheer up! There wasn't much wrong. Our history is a precious heritage! The paths we have walked cannot now be denied (Matthew 5:18, 13:49).

10. My friend! Remember God's Covenant by Looking at the Rainbow in the Clouds (Genesis 11:17)!

My friend! This is a time when science is so advanced that anything that reaches scientific standards is recognized as truth. It was all through the power of science that I, who was alive after resurrection, was killed again, and finally returned. God and religion became science, thanks to Lamarck and My representative! King of Truth My friend! Your contribution is the greatest! You announced the opening of a world-class innovative science festival!

Is there anyone who does not know Me, Jesus? How else could I come (Luke 21:35)? I have returned with the great glory and power of God (Matthew 24:30)! With you, my friend, the angel with a loud trumpet call, we gathered people from all over the world from the farthest end of the world (24:31)! Just as summer is near (24:32) and as thieves come (24:43), on days other than the Sabbath (24:20), by knocking at the door at an unexpected time (24:33). My friend! Thank you for being prepared and awake and opening the door (24:42,44)!

I said I would return like in the days of Noah (24:37). A long time ago, the earth was filled with human wickedness and there was a flood (Genesis 6-9). Is it different now than then? A flood is just around the corner, but people are preoccupied with war and persecution of their neighbors. We must love even our enemies, but are we unable to take care of our neighbors? I come when the gospel has been preached to all nations (Mark 13:10), and there is no longer any sea in the New Jerusalem (Revelation 21:1). Sapiens is a species whose habitat is the Earth. Do you understand what that means?

I am the way, the truth, and the life (John 14:6)! Isn't life the common topic of religion and science? Respecting life is the truth, and putting that truth into practice is the way. Let us save the Earth, home to all life. You, the King of truth, will take the lead in strengthening international organizations to prepare for the climate crisis. Call on environmental guru Michael Shellenberger to announce the Green Nuclear Deal. Let's use nuclear power, the flower of human intelligence. It comes from the principle of light, so it is a blessing from God. That is the ark of this era (Genesis 6). Believe in the Promise of the Rainbow in the clouds (11:17).

Now is the Time of Final Judgment. There will inevitably be Judgment according to deeds of each, wicked or just, so wait for the reward (Revelation 22:12, Matthew 13:49,50). Taiwan is a leading country that practices truth, and this country will be blessed and protected forever. Any country that invades Taiwan must be prepared for God's Judgment. As the captain of the Earth ship in the last days, I appoint my angel, 'Returned Righteous Noah (Genesis 6:8,9) or Biden'. He has been trained through long ordeals, so his skill will greatly contribute to saving the chaotic Earth.

I came as a person, worked, and then left, so the appearance of My representative is not a strange phenomenon. In this way, the New Testament and the Old Testament were completed, and thus a civilization.
